FOMS/SWITCH problems ??? Call the IT Unified Help Desk

All Qwest employees are directed to dial 877-828-HELP (4357)

They are there 24 hours a day - 7 day a week to help you and determine trouble source , solutions and to coordinate resolution with the appropriate support group. Password resets require a call to the RMA Hotline at 1-866-322-7243 (1-866-FACS-AID)

Jeopardy reason tables have been updated for all wirecenters. Below is a list of permissible jeopardies.

- a1 Assignment Error on F1 Facilities [CP or UDC]
- a2 Assignment Error on Office Equipment (OE)
- a3 Reserved for Future Assignment Error Category
- a4 Assignment Error Tie Pair
- a5 Assignment Error TRE [Reg Units, DSL]
- a6 Qwest Wiring/Inventory issue [Line Sharing, DSL]
- a7 Stenciling Error Splitter or DSLAM
- a8 Splitter not connected to DLEC side, Splitter not avail.
- a9 Load Coil Detected [Line Share only not used for DSL]
- s1 Failed Synch Test [Line Share Only]

FOMS for Arizona, New Mexico and Utah

COT Note: fnd\_winback has been modified to only show uncompleted orders

COT Note: fnd\_ufo can be used at wc prompt to list unprinted ords & admin

COT Note: fnd\_cancel can be used at wc prompt to list canceled ords
